
1 First Floor - ZONE C
1 : 100

Information Technology Information

General Notes

- For elevations types dimensions, refer to elevations types drawings and schedules.
- For external levels, slopes, finishes, dimensions, etc...., refer to landscape & roads drawings.
- All dimensions are in millimeters, all dimensions should be verified on site and approved by the authorized engineer.
- Unless otherwise indicated, levels are in meters (m) and angles are in degrees.
- Drawings are not to be scaled, written dimensions should be followed.
- All drawings should be read in conjunction with other relevant architectural, structural, mechanical, electrical drawings and all other relevant sections of the specifications.
